GENERAL RULES AND REGULATIONS

Every effort has been made to insure the accuracy of this exhibitor handbook. However, exhibitors are cautioned that the current rules and regulations of the Eastern Idaho State Fair, as interpreted by the Fair Board, take precedence over this listing due to the possibility of typographical error or inadvertent omission.

In the event of conflict between the general rules and the special rules governing the various departments, the special rules will take precedence.

The Board reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, connected with or incident to the Fair. The Board reserves the right to amend or add to these rules, as it, in its judgment, may deem advisable.

- Entries in all departments, unless otherwise specified, are open to the world.
- Entry form, completely and properly filled out, must be submitted in all livestock departments on or before the closing date specified.
Mail to: Eastern Idaho State Fair
Box 250
Blackfoot, Idaho 83221
Exhibits will be rejected unless entry forms have been received. Exhibitors of livestock will be required to give the name and registration numbers of both sire and dam.
- The word "entry" refers to the entry form. The word "exhibit" refers to the animal or article. The Superintendents of the various departments will assign stalls, pens, and exhibit space.
- The Board of Directors and management reserve the right to accept entries after closing dates, if good and sufficient reason for the delay is given, and also reserve the right to offer classifications and premiums for any recognized breeds of livestock, or other exhibits, at their discretion.
- The management or department superintendent reserves the right to reject any exhibit offered if it is objectionable in any way, if it requires an excessive amount of space, or if the capacity of the department has been reached.
- Exhibitors must attend to the delivery in person or by agent of articles or animals for exhibition to the Department Superintendent and must claim their exhibits at the close of the Fair. **DO NOT SEND EXHIBITS BY FREIGHT OR PARCEL POST TO THE FAIR OR TO ANY OF ITS OFFICERS.**
- All competitive exhibits must be in place as specified in the general rules of each department. Exhibits will be released from 10:00 a.m. until 4:00 p.m. on the Sunday following the fair. No exhibits will be released before 10:00 a.m. on Sunday following the fair, unless otherwise provided for in

SEE BACK OF THE BOOK FOR ENTRY FORMS...

department special rules. Competitive exhibits which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Fair Manager sees fit.

8. Exhibitors having space assigned them will not be permitted to change to another location without first having obtained permission from the Superintendent of the Department, under penalty of forfeiture of premiums.
9. The Fair District will not pay a cash premium on any articles not specifically mentioned in the Premium List. Such articles may be accepted by the Superintendent of the Department for exhibition. The Judge's book shall be evidence of payment of premiums. Ribbons and cards are not acceptable.
10. Animals exhibited or brought to the fairgrounds must be disease free and drug free and kept clean at all times. Acceptance of all animals is subject to a veterinarian's approval.
11. Exhibitors must in all cases be the bona fide owners of articles or animals exhibited by them, except where otherwise specified. A transfer of ownership for the purpose of exhibiting will debar any animal or article and operate against the payment of premiums offered by the Eastern Idaho State Fair.
12. Should it be found that a premium has been obtained by false evidence, or misrepresentation, or a violation of the general rules or special rules governing the department, all premiums will be withheld.
13. Competition is defined as a contest for supremacy between two or more animals, products, or articles owned by separate exhibitors. Two exhibits entered by the same person or household do not constitute competition. When a community interest in the ownership of animals or articles is apparent in the judgement of the Board, competition will be considered not to exist, although the actual ownership might be separate.
14. No animal or article deemed unworthy shall be awarded a premium. But no premiums shall be withheld merely because there is no competition. Decision of the Judge will be final. No awards will be made for champions where there is no competition.
15. Exhibitors may make as many entries in each class as desired, except as specified in the special rules of each department, but no exhibitor will be allowed more than two premiums in any one class. Entry fees will not be refunded to "no shows" unless prior notice is given.
16. No animal or article may compete in more than one class or division, nor for more than one premium, except as one of a pair, group, or championships, or except as otherwise specified in special rules of departments.
17. Exhibitors making entries and not exhibiting shall forfeit any entry fee and exhibitors' tickets.
18. Premiums will be designated by ribbons, as follows:

First	Blue Ribbon
Second	Red Ribbon
Third	White Ribbon
Fourth	Pink Ribbon
Fifth	Yellow Ribbon
Sixth	Dark Green Ribbon
Seventh	Light Green Ribbon
Champion	Purple Ribbon
Reserve Champion	Lavender Ribbon
19. No director of this Fair shall act as Judge in any class, nor shall any exhibitor in any given class act as Judge for that class.
20. The Judges will be expected, if called upon, to give the reasons for their decisions, embracing the value and desirable qualities of the animals or articles to which the awards were made.
21. Prior to the judging each Superintendent will inspect all exhibits in his department to determine if they are entered in the class in which they should compete. If the Superintendent and exhibitor cannot reach an agreement to the classification, it shall be reported to the management. Classification will then be made by a committee appointed by the Manager, whose decision shall be final. In cases where it is obvious that entries are not correctly entered, the change may be made by the Superintendent of the department for adjustment.
22. If there is any question during the judging as to the regularity of any

entry, or the right of an exhibitor to compete in any class, the judge shall report it immediately to the Superintendent of the department for adjustment.

23. Awards will be made according to the merits of the exhibit. If no competition exists or if an article is not worthy of 1st premium, the judge may disqualify or award 2nd, 3rd or 4th premiums at his discretion. Only one of each placing in any one class will be awarded.
24. Any person attempting to influence the judges in their decisions in any manner will forfeit all premiums awarded and will be excluded from all competition and exhibition. No person will be permitted in the ring during judging except the Award Committee, the officer of the fair, and the necessary attendants.
25. All protests must be submitted in writing, setting forth grounds for protest. Protest against the exhibition of any articles or animal must be filed with the Manager of the Fair at least twenty-four hours before the awards are made. Protests against the awards must be filed with the Manager not later than 4:00 p.m. of the day following that upon which the awards were made. The Committee at its first meeting will consider protests after the filing of the protest. Parties interested will be notified by the Manager and opportunity given them to submit evidence. In every case of protest the party protesting must deposit with the Manager the sum of \$25.00, which sum shall in the event of the protest being sustained, be returned to the complainant, and if the protest is not sustained, the said sum shall be forfeited to the Eastern Idaho State Fair.
26. Each exhibitor or concessionaire will be solely responsible for any consequential or other loss, injury or damage done to or occasioned by, or arising from, any animal or articles exhibited by him, and shall indemnify the Eastern Idaho State Fair District against all legal proceedings in regard thereto. Said Fair District will take reasonable precautions to ensure the safety of exhibits and property of every description entered for competition or display, or any other purpose, while anywhere on the grounds that shall be subject to the control of the Eastern Idaho Fair District, but the owners themselves must take the risk of exhibiting them. In no case will the Eastern Idaho Fair District be responsible in any way for any loss, damage or injury of any character to any property, article, animal or person while the same are on the fairgrounds, or at any other time or place nor be liable for or make any payment for damage, loss or injury. Presentation of articles or animals for exhibition, and entrance upon said fairgrounds should be deemed acceptance of this rule.
27. The Eastern Idaho Fair District will not be responsible for any loss or damage caused by or arising out of strikes, riots, lockouts, or act of God.
28. Exhibitors of animals, machinery in motion, and other exhibits liable to occasional accidents, injury or damage to persons coming in contact therewith, shall guard their exhibits and protect the public from coming in contact therewith, and every exhibitor shall indemnify the Eastern Idaho Fair District from and against all claims and demands, costs, charges and expenses which it may incur, suffer or be put to, by reason of any exhibit not properly guarded or the public not being properly guarded there from. Presentation of entry forms, or agreement on verbal or written concession contract shall be deemed acceptance of this rule.
29. Attendants at exhibits and concessions must be neatly attired and will be required to conduct themselves in a quiet and orderly manner. Dogs or pet animals will not be permitted on grounds unless they are involved in competition.
30. Sales of exhibits may be made for delivery at the close of the Fair, but no exhibit may be removed until after 10:00 a.m. of the Sunday following the Fair.
31. Ample light is furnished to all buildings. If additional light or power is required, all wiring and power must be furnished by the consumer and wired under supervision of the Fair's electrician.
32. No person or exhibitor will be permitted to distribute printed or advertising matter, or put up signs on the grounds other than at the space allotted to exhibitors for that purpose. All premium checks issued for the livestock departments must be cashed on or before December 20, 2008.

 43. The Fair is not responsible for merchants' default on special prizes.
 44. Use of any unauthorized drugs and/or tranquilizers in animals is strictly prohibited; withdrawal times for licensed products must be followed. All animals entered in the Eastern Idaho Fair are subject to testing. Should a violation be suspected, all cash proceeds will be held until the issue is resolved. All animals and poultry must be free of any evidence of clinical disease. All animals and poultry entered are subject to inspection at the fairgrounds by the Department Superintendent or the Fair Veterinarian. In any animal where there is evidence of disease, including but not limited to: coughing, excessive oral or nasal discharge, eye discharge, lameness, diarrhea, or external parasites, the animal may be isolated for further examination or entry may be refused. In all cases, the decision of the Veterinarian will prevail. Animals that develop clinical evidence of disease after entering the fairgrounds may not be shown and shall be subject to isolation or expulsion, depending on the nature of seriousness of the disease symptoms. The Veterinarian will make the decision.

In all cases the reference will be the **IDAHO DEPARTMENT OF AGRICULTURE** Rules Governing Animal Industries, which will be used to determine the eligibility of animals entering the fairgrounds. Call 208-332-8540 for further questions.

Special Considerations

CATTLE: All females must have been previously vaccinated for Brucellosis and have a legible tattoo in the right ear. Special attention will be given to an animal having an oral and/or nasal discharge, which is a possible sign of Vesicular Stomatitis. These animals and all other animals in the consignment will be refused entry until the cause of the discharge is determined.

HORSES, MULES AND ASSES: Of special concern are animals with nasal discharge and/or coughing. Vesicular Stomatitis is manifested in horses mainly by lameness and moist ulcers of the feet.

SHEEP: Of special concern shall be contagious ecthema (sore mouth) and foot rot.

SWINE: All breeding stock swine must meet the requirement for brucellosis and pseudo-rabies, and must be free of external parasites. Show and slaughter swine must meet the requirement for general soundness.

LLAMAS, EMU, OSTRICH, POULTRY, PIGEONS, AND RABBITS: All animals shall be generally in good health and free of external parasites.

ANIMALS ENTERED IN FAIR AND SOLD FOR BREEDING PURPOSES:

Animals entered in the Eastern Idaho State Fair for show which are sold for breeding purposes will be subject to the rules and regulations of the State of Idaho Division of Animal Industry, and the rules of the state of destination if it is out of Idaho. Health certificates and permits for such transactions must be obtained from a local practicing veterinarian.

HORSE PULLING CONTEST

Wednesday – September 3, 2008

1:00 p.m. – Grandstand Arena

BOB WELLS – SUPERINTENDENT

1. Entries must be in by 10:00 a.m. Wednesday. All teams must weigh in and be matched between 6:00 and 10:00 a.m. Wednesday. Drawing for position will be held immediately following weigh in. Contest will start at 1:00 p.m. Wednesday. Special entry forms and complete rules for these matches may be obtained from the Superintendent or the fair office.
2. All pulls will be made according to classes.
3. Ropes will be spaced 14 ft. apart. A qualified pull is 20 ft. between the ropes. If one of the horses steps on a rope the driver has the option to either unhook or restart his team using his second pull.
4. There may be a 2-minute rest period between each pull. If a driver unhooks he must wait until other contestants have qualified in turn for his last pull. There will be a maximum of 8 pulls in each weight.
5. The beginning weights will be started at Lights - 3000 lbs, Middles - 3500 lbs and Heavy - 4000 lbs. Additional weights will be added at the discretion of the first driver in each weight class, unless the ground conditions are bad, then the judge will decide. The minimum amount of weight that can be added is 300 lbs.
6. Distance will be measured from the point the chain is attached to the boat. The driver has the right to check the measurement.
7. The driver has the right to mismatch teams. This must be turned into the secretary before the draw for position.
8. The first place winner has the right to move up to the next weight class. Other teams will be allowed to move up with the permission of the judge. HE OR SHE MUST PULL UNTIL THEIR TEAM IS STUCK.
9. Offset double trees are permissible.
10. Any time a call is made to the team, it will be considered a pull. The judge will decide.
11. All teams must remain in order and be on deck or they will lose that pull.
12. No team will be allowed to leave the arena while participating in their respective class.
13. The pulls will be in the same direction until the flag at the end of the lane is reached by any portion of the boat excluding the hook chain. At this time the judge will reverse the boat. On the last weight all teams will pull in the same direction. After the first pull by all teams on the last weight, if there is not enough distance to pull all teams in the same direction on the second attempt of the last weight the boat will be reversed at that time. THE JUDGE WILL DETERMINE IT.
14. A team must start the match with blinds on or off. No change will be made during the contest.
15. Teamsters may ride on or walk beside the stoneboat.
16. Any unusual or necessitating circumstances will be decided by the judge.
17. The hookers must stay behind the double trees and are not allowed to touch, hiss or otherwise encourage the team in any way.
18. At any time the driver stops his or her team all eight feet of the team must be within the ropes or the pull will be disqualified.
19. If a new lane is necessary for the next class, the judge will determine it.
20. Pullers will be allowed 2 minutes to hook for each pull. If extra time is taken, the pull will be lost. Contestant breaking down automatically goes to the end of the line.
21. No whipping or hitting of horses will be permitted.
22. There are no restrictions on feed and water. Contestants can feed and water when and as they please in any amount desired.
23. Eastern Idaho State Fair stone boat on runners will be used for all classes. The Superintendent will be in charge of added weight.
24. Only one driver and no assistants allowed ahead of the boat after the pull starts.
25. Owners of entries may purchase an Exhibitor's Ticket for personal use at a cost of \$10.00 for the whole week, or \$6.00 for a half-week. Grooms or men actually in charge will also have to procure tickets.
26. Pullers using stalls must vacate on Wednesday by 3:00 p.m. If stalls are needed, contact the fair office by August 22.

27. Out of state horses must have a health certificate and are required to have a negative Coggin's test within the last 6 months. **Copy of current Health Certificate must be provided to the Livestock Office on entry to the fairgrounds.**

Stock dogs trials at the E.I.S.F. have been taking place in one form or another since the late 1980's. These trials are "Open to the World" and to any breed of stock dog. The trials are sponsored by the Eastern Idaho State Fair and the Eastern Idaho Stockdog Association, and Eagle Rock Kennel Club. The trials are held to showcase the skills of good working dogs and to increase the knowledge base of the general public about working dogs in general. This year's trials will be sanctioned by AHBA (American Herding Breed Association). The sheep / goat trials will start at 8:00 a.m. with the cattle trials to follow. There will be a judge's meeting with all handlers 30 minutes prior to the start of each trial. Trial courses will be posted at that time. For more information or entry forms please contact Suzanne Belger at 542-6552, Anita Pratt at 785-4245, or Cheryl Loomis at 745-9486. Entries are due Saturday, August 26, 2008 (day of event entries will be taken if trials are not otherwise full). Trial is limited so enter early!

ALTITUDE CHART

The processing times given in this book for acid foods are based on canning at or below 1,000 feet above sea level using the boiling-water method. When processing at altitudes higher than 1,000 feet above sea level, adjust the processing time according to the BOILING-WATER CANNER chart.

The steam-pressure method is used for low-acid foods. The pounds pressure given for low acid foods in this book are based on using a weighted-gauge canner and processing at or below 1,000 feet above sea level. When using a dial-gauge canner or processing at altitudes higher than 1,000 feet above sea level, adjust pounds pressure according to the STEAM-PRESSURE CANNER chart.

Remember to label process method on jar bottom.

These puppies are bred in California at Guide Dogs for the Blind, Inc., and sent to 4-H homes at the age of 8 weeks. Children raising GDPs should compete in obedience at their county fair in a special Guide Dog Class. GDPs may be entered in a regular fitting and showing class. Since the 4-H members raise the puppies for only one year, all GDPs will be "puppies".

Most will be 6-7 months old; some will be just under 1 year. If the GDP earns a blue ribbon in obedience and/or fitting and showing at the county level, the puppy and handler are eligible for the Eastern Idaho State Fair. They should be entered in a regular fitting and showing class, and /or the Guide Dog Puppy Obedience class. GDPs are judged from the 4-H Beginners score sheet (Leader's Manual) with some variation.

All exercises are done on leash

1. Heel on leash and figure eight 40 points
 - a. GDPs are allowed to walk slightly ahead of the handler. (Proper heel position is forging slightly.)

2. Stand for examination 30 points
3. Recall 30 points
 - a. Guide Dogs For the Blind has requested that their GDPs not be taught a formal recall. GDPs are to be taught to "Come" on one command to within reach of the handler. Touching the handler is desirable. The handler is encouraged to pet the dog
4. Long sit 30 points
5. Long down 30 points
- Total 160 points

Dog Fitting and Showing Contest

4-H member will enter the contest according to the categories listed in the general rules.

In Fitting and Showing, the GDP and handler will be judged the same as any other dog/handler in the class. Handlers of GDPs MAY NOT, however, bait the GDP (GDPs are not allowed to take food from the hand).

JUNIOR LIVESTOCK SALE MARKET ANIMALS and DAIRY HEIFERS

Sale Order: Sheep, Beef, Swine, Goats, and Dairy Heifers
6:00 p.m. Friday, September 5, Yellow Show Barn

Thirty percent of the total species' entries or a minimum of 20 animals per species will be allowed to sell, whichever is greater. This applies to beef, sheep, swine and dairy.

There must be 10 meat goats that make weight in order to have a market goat show. A maximum of 5 meat goats will sell if preceding rule is met, then 1 additional goat will sell for every exhibitor above 10 head for a maximum of 10.

Sale Rules:

1. Every animal entering the sale must be owned by either a 4-H member or an FFA member and weighed for EISF at the time of uniform standard weigh-in. A youth may tag one (or several) animals of each species for both his/her county and Eastern Idaho State Fair. Animals that have been shown in a county fair market animal class intended to qualify for a county fair sale and/or at a county fair sale cannot be exhibited in the junior show and resold at EISF. The Extension Educator or Ag-Ed instructor from each county or chapter will be responsible for verification of ownership and project enrollment.
2. **An official EISF tag and button must identify all market animals and dairy heifers destined for the sale.**
3. Entries for the Market Animal Sale are limited to those counties participating in the Eastern Idaho State Fair. All animals are REQUIRED to be listed on an official 2008 EISF Jr. Livestock Show entry with the Market Animal Sale committee to enter the sale. This is the Extension Educator's or Ag-Ed instructor's responsibility. Entries will be available in the EISF Supplement, at each county extension office and on the web at: extension.ag.uidaho.edu/district4/ and will be due to Extension Educator listed on the entry **August 20, 2008.**
4. **All animals may weigh one time only.** Any animals that arrive without tags or wrong tag information and all lightweight animals will be disqualified.
 - Market Steers' minimum final weight 1,050 pounds.
 - Market Lambs' minimum final weight 110 pounds.
 - Market Swine's minimum final weight 230 pounds.
 - Market Goats' minimum final weight 70 pounds.
5. Exhibitors are responsible for ensuring that all drugs administered to any market animal meet the withdrawal period prior to sale day. Sale animals and carcasses found to have recent injection sites and/or violated medical withdrawal times will be investigated and may result in forfeiture of sale check by seller.
6. Beef, sheep and goats may be given a 2 percent shrink. All swine and dairy heifers will be sold without shrink.
7. The 4-H and FFA member will be responsible for the care and cleanliness of his/her pen or stall. Exhibitors shall clean their pens and

stalls of debris, feed, and bedding upon arrival at the fairgrounds. Exhibitors are required to care for their animals and keep their stalls clean through 12 noon on Saturday after the sale. Those found in violation will be charged a double sale commission.

8. Each 4-H and FFA exhibitor must take care of his or her own animal unless excused by a member of the market animal committee for reasons that are deemed sufficient.
9. All youth will be REQUIRED to exhibit their own animal in BOTH quality and showmanship classes to be eligible to sell their market animal in that species.
10. All entries are accepted with the understanding that neither the fair district nor the sale officials shall be held responsible for any damage or loss that may arise to livestock on exhibition or sale.
11. Livestock will be placed in sale order by the judge of each species. The class winners are not guaranteed a slot in the sale order.
12. Rosette ribbons will be awarded to Grand and Reserve Champion animals (beef, sheep, swine, goat) at the quality grading. These and other ribbons earned at the EISF may be displayed with the sale animals.
13. Steers, swine, lambs, goats and dairy heifers receiving a white ribbon will be sifted and ineligible to enter the sale.
14. Exhibitors will be allowed to sell one (1) animal only. If participant wins overall grand or reserve grand champion in more than one species participant must sell all champion animals. If an exhibitor has the grand champion dairy sale heifer or reserve champion dairy sale heifer and has an overall champion or reserve champion in other market animal species he/she must sell all top animals (this only applies to dairy heifers destined to sell in the EISF Jr. Market Animal and Dairy Heifer Sale).
15. Market animal exhibitors with multiple animals will have one hour after the shows to declare which animal they will sell. After that time, it will be at the discretion of the sale secretary which animal sells.
16. Payment to 4-H/FFA members will be made following payment received from buyers and after a thank-you note* has been sent to the buyers. Locally slaughtered animals: 4-H/FFA members will receive bid price less any sales expense as determined by the sale committee. Resale animals: the 4-H/FFA members will receive from the local buyer or supporter the difference between the established floor price per pound and what the resale buyer pays less any sales expenses as determined by the sale committee.
*Each county extension office will receive a list of buyers a few days after the sale. Participants must bring thank-you notes to their county's office and ask someone to notify the Bingham County Extension Office when the thank-you note has been sent. Only then, and after buyers have paid, will checks be mailed.
17. A commission of \$45 each for beef and dairy heifers and \$25 each for sheep, goats and swine will be deducted.
18. All market animals entering the auction ring must be sold.
19. The sale committee will determine the floor prices prior to the sale.
20. Any boost moneys added to individual exhibitors will not be processed or publicized at the sale.
21. Grievances will be referred to the Sale Committee, and its decision will be final.
22. Terms of the sale shall be cash.
23. Brand inspection certificates for steers and dairy heifers must be presented when the animals are checked in. This is the responsibility of exhibit owners, not extension educators or committee members. Market beef and Dairy Heifers without inspections shall be held after the sale by the brand inspector.

25. Only weaned goats will be eligible for sale.

30. No use of muzzles.
31. All market goats will be dehorned.

32. Animals that endanger exhibitor(s) will be removed from the show.
33. Exhibitors will be allowed to use collars or halters in the show ring.
34. If a doe is used in the market class she may not be used for the breeding class.

Sheep

35. Market lambs must be slick shorn within 7 days before weigh-in.
36. Ram lambs shall be disqualified from the market animal show. Lambs will be checked at weigh-in. This is at the discretion of the Sale Committee.
37. Lambs showing yearling teeth will be disqualified.
38. Market lambs must be docked such that the tail (dock) can be lifted. To qualify for exhibition the docked tail must be no shorter than midway between the attachment of the tail to the body and the attachment of the caudal folds to the tail. Research shows that this makes for a one-inch tail. Dock length determination will be made at final weigh-in. Tail length will be measured with the lamb tail Device. Lambs found docked shorter than 0.7" as measured with the Device will be disqualified.

Swine

39. Market hogs may be barrows or gilts only.
40. No shaving of swine will be allowed on the fairgrounds, but it may be done prior to arriving.

Additional Dairy Heifer Sale Rules:

All dairy heifer participants must abide by all pertinent sale rules as well as the following:

1. Heifers must be designated for the sale at the sign-up time; 120 days prior to the sale. Heifers must be born from December 1, 2007 - February 29, 2008 to be eligible to sell.
2. The sale order will be determined at the conclusion of the junior dairy heifer show. All dairy sale heifer exhibitors will be allowed to exhibit one sale heifer in the dairy sale heifer class. The heifer must have been tagged and weighed as a sale heifer. A grand and reserve champion dairy sale heifer will be selected by the judge. The judge will then place the remaining heifers for sale order. If either or both of the champion or reserve champion dairy sale heifer exhibitors have an overall grand or reserve champion in any market animal species, they must sell all champions.
3. After the sale, the animal will be the responsibility of the buyer unless arrangements have been made with the seller.
4. In order to be eligible for the sale, exhibitors **must** participate in **all** of the EISF dairy activities such as **Skillathon, Dairy Judging Contest, Record Book Evaluation, Showmanship, and Quality classes.**
